

Two cash payment options for HiSET® exam registration

Here are two ways you can register online for the HiSET exam if you don't have a credit card.

1

Use PayPal® Cash to fund a PayPal account.

Before registering for the test:

1. If you do not already have a PayPal account, go to www.paypal.com to sign up. You will not need to link to a bank account or credit card or other funding source at this stage.
2. To find a participating PayPal Cash retailer, go to <https://www.attheregister.com/locations>.
3. Log in to PayPal at <https://www.paypal.com/us/webapps/mpp/ppcash>. Click on the "Add money at a store" link at the bottom of the page. Follow the simple instructions to select a retailer and create a custom barcode. Please be advised that you will need to provide personal information to verify your identity the first time you use this option.
4. Go to the retailer, decide how much money you want to add to your PayPal account and present it at the register along with your custom barcode. There is usually a service fee to complete this transaction at the retailer.

To register for the test:

5. Log in to your HiSET® account and start the registration process. When you are prompted to make a payment, select "PayPal" as your payment method.
6. Follow prompts to complete payment using the funds now available in your PayPal account.

Use a Visa®, MasterCard® or American Express® gift card.

Before registering for the test:

1. Go to a participating retailer that carries prepaid gift cards. Pick up a Visa, MasterCard or American Express gift card in the denomination that you desire and purchase it at the register. There is typically a service fee (varies by type of card) to purchase the card from the retailer.

To register for the test:

2. Log in to your HiSET account and start the registration process. When you are prompted to make payment, select "Credit Card" as your payment method.
3. Follow prompts to complete payment using the funds from your prepaid gift card.
