Rewrite your story with the HiSET® exam, a new alternative to the GED® test.

No matter where life has taken you, the HiSET® exam gives you the chance to take it in a new direction. It’s a new way to earn the same high school credential — and take the first step toward success in the workplace or continuing your education.

By choosing the HiSET® exam, you choose to build a better future for you and your family, starting today.

Sometimes life gets complicated.

60% of all jobs in the U.S. economy require higher education.²

Had to leave high school early. Now what?

I found a job. How can I turn it into a career?

Only half of the young adults in the U.S. who dropped out of high school currently have a job.¹

For where you are. And where you’re going.
The HiSET® exam is accepted by colleges and employers nationwide — giving you more opportunities to pursue your dreams.

A new choice with five great advantages.

- More accessible, with plenty of convenient test centers to choose from
- An affordable investment in your future
- Offered in computer & paper-based formats
- Available in English or Spanish
- Quick turnaround with score reports

Demonstrate you have the knowledge to take the next step.

With its unique advantages, the HiSET® exam covers the same content areas as the GED® test.

Community college or a bachelor’s degree. It’s all possible now.
Have the power to turn a job into a career.

Even if a college degree isn’t your goal, you will still be able to pursue better job options by finishing high school. Some high-paying careers you can have with a high school diploma and specialized training include:

- Fashion Designer
- Electrical Technician
- Police Officer
- Commercial Pilot
- Registered Nurse
- Aircraft Mechanic
- Medical Technician
- Web Developer

College-educated adults are more likely to receive health insurance & pension benefits.
